Please do send along copies of those guides, so that we can determine what versions of them are in Mr. Thornton's possession. We will let you know if we have further requests, and thanks for your cooperation.

yes, done, I have copies of the audio tapes for you already made, kinda hard to send via scanner/email, will mail out today, other items are described in the disclosures, the "guides" are three-ring binders general to all applicants, your client should already have copies, if you wish to have copies or inspect other items I will produce without the necessity of formal discovery per your request.
